Getting Ready to Reopen: What Healthcare Organizations Need to Know

Speaker: [Harry Nelson](#), Founder and Managing Partner

Date & Time: Mon, May 11, 2020 11:00 AM – 12:00 PM PDT

As we move closer to reopening healthcare organizations, many questions are arising around legal/regulation, operational, and risk management considerations, including potential liability, employees reluctant to return, and new hygiene and cleaning requirements. This webinar will offer insights and recommendations on navigating the legal and practical issues in preparing for the “new normal” in healthcare.
