

How to handle restructuring or closure of your business in the wake of Covid?

Topic: Handling restructuring or closure of your business in the wake of Covid

Date & Time: Wednesday, August 12, 2020, 11:00 AM – 12:00 PM Pacific

Presenters: Rob Fuller, Larry Gill, & Mark Hardiman

This webinar addresses options for businesses that are facing distress or closure as a result of Covid-19. The expert panel will cover workouts, reorganizations, bankruptcy, asset and stock sales, capital raising, debt issuance, conversions, and closure, among other options. Business owners, C-Suite Executives, and Boards of Directors of companies of all sizes are facing these possibilities, even in healthcare, and knowing the options for a distressed business is the first step in putting together a go forward plan.

This webinar will offer an overview of options for businesses that are facing distress or closure as a result of Covid-19.
