State of Healthcare, Delivery of Care and the Impact to Businesses in Southern California

The Los Angeles Business Journal is hosting their annual Healthcare Leadership Forum & Awards breakfast on Wednesday, April 29, 2015. This newly expanded format, which now includes a panel discussion, will bring together LA's industry leaders to discuss the state of healthcare, delivery of care and the impacts to businesses in Southern California.

Nelson Hardiman's Co-Founder and Managing Partner, Harry Nelson, will be a featured guest on the panel which will be discussing relevant issues healthcare companies are facing in 2015 and beyond. The program will continue with the announcement of the 2015 Healthcare Leader Honorees, highlighting the accomplishments of individuals and organizations in the health field that have made strides in helping Angelenos receive better healthcare; both on the front line and those protecting the bottom line.
