Hottest Healthcare Industry Issues for 2016

On Tuesday, January 12, from 7:30-9am, Nelson Hardiman will be hosting a panel on the Hottest Healthcare Industry Issues for 2016 on behalf of the Provisors Healthcare group. Harry Nelson will be speaking on the panel with former health system CEO and healthcare management expert Arnold Schaffer, Managing Director of Alvarez & Marsal, and Mary Lane, Managing Director of healthcare investment bank Wilshire Pacific Capital Advisors. (A preview of Harry Nelson's thoughts is available on his blog.)

The Provisors Healthcare Roundtable meets regularly at Nelson Hardiman on the first Tuesday of each month, and offers a chance to connect and gain insights in the Southern California healthcare community.
