‘Bet the Career’ Issues Facing In-House Counsel

Lee Arian will be a panelist at the California Society for Healthcare Attorneys 2017 Fall Seminar.

When: November 3rd

Where: Hilton Los Angeles Airport

Session Title: “Bet the Career” Issues Facing In-House Counsel

Session Time: 1:00 PM – 2:15 PM

Why Attend?

Panelists will draw upon their years of in-house counsel experience to talk about thorny issues they have confronted, including responding to government and private investigations; conflicts among board/management/employees; attorney client privilege; preservation of evidence; executives and independent counsel; and dealing with independent board committees. The speakers will also look at the big-picture issues, such as the increasing criminalization of corporate decisions; philosophical approaches to settling big cases where the plaintiff’s chance of success is remote but the stakes are high; and generally serving as the moral and ethical center for a company whose financial success may depend on high-risk gambles.
