

Patient Brokering

On October 24, 2017, Harry Nelson appeared on ["In Your Right Mind,"](#) a behavioral health radio program, which airs on [Talk Radio 790 KABC Los Angeles](#). Harry discusses the "Florida Model" where residents stay in unlicensed sober living facilities and are then transported to outpatient treatment programs. A new Florida law now prohibits this type of relationship. California law, by contrast, is much more open-ended and has a lot of catching up to do, according to Harry.
