

Lawyers and Legal Professionals Affinity Group Presentation

Session Date: 12/8/2017 11:30-1:30pm

ProVisors Lawyers and Legal Professionals Affinity Group
Technology, Cybersecurity, and Legal Ethics

In this presentation we will discuss ethical duties related to the use of technology as well as the ethical pitfalls arising from cybersecurity incidents. We will highlight how law firms are increasingly being targeted by cybercriminals, your ethical duties, and related malpractice risks. We will also provide practical operational and technological recommendations to help you meet your ethical duties and avoid malpractice risks.

Speakers:

Kathryn F. Edgerton (Russo) – Transactional and regulatory attorney with Nelson Hardiman, LLP
Bill Richardson – Managing Director of the Privacy and Data Security Practice Group at Compligent.
