Thursday, December 6, 2018

12:00 p.m. – 1:00 p.m. ET / 9:00 a.m. – 10:00 a.m. PT

With over a third of all Californians covered by Medi-Cal, the need to expand access to a fuller continuum of substance use disorder (SUD) care has become mission critical. How did the Medi-Cal Organized Delivery System set out to accomplish that objective? How has it succeed? Where has it struggled?

This webinar will address the opportunities and challenges reflected in the roll-out of Medi-Cal's ODS.
