About **Best Lawyers**® Ranking

Firms included in the 2019 Edition of “Best Law Firms” are recognized for professional excellence with consistently impressive ratings from clients and peers. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise.

“U.S. News has more than 30 years of experience evaluating complex institutions and their service to consumers,” said Tim Smart, executive editor at U.S. News. “Law firms perform a vital role in American life, and ranking them is a key extension of our overall mission to help individuals and companies alike make important decisions.”

The 2019 rankings are based on the highest number of participating firms and the highest number of client votes received on record. To be eligible for a ranking, a firm must have a lawyer recognized first in *The Best Lawyers in America*, which recognizes the top 1% percent of practicing attorneys in the U.S. Over 16,000 lawyers provided more than 1,125,000 law firm assessments, and almost 12,000 clients provided more than 107,000 evaluations.
