

Office-Based Opioid Treatment: What You Need to Know

Thursday, April 4, 2019

12:00 p.m. – 1:00 p.m. ET / 9:00 a.m. – 10:00 a.m. PT

Presented by:

David Shillcutt – Associate, Epstein Becker Green

Kristina Sherry – Attorney, Nelson Hardiman

Andrew Martin – Chief Operating Officer, Behavioral Health Association of Providers

Office-Based Opioid Treatment providers are the front lines of the response to the opioid epidemic, but recent developments in federal and state legislation have significant implications for provider business models and service delivery strategies.

This webinar will examine provider capacity issues for medication-assisted treatment, the opportunities and challenges of telemedicine for addiction services, and the expansion of innovative service delivery networks including the “Hub and Spoke” system and related models.
