Nelson Hardiman is pleased to announce that managing partner Harry Nelson has been selected by his peers to the Best Lawyers in America list for 2014. Mr. Nelson was selected in the practice area of Administrative/Regulatory Law.

The magazine *Corporate Counsel* has called the Best Lawyers list “the most respected referral list of attorneys in practice.” Published since 1983, Best Lawyers report is the oldest and most respected peer-review publication in the legal profession. Based on an exhaustive peer-review survey in which more than 36,000 leading attorneys cast almost 4.4 million votes on the legal abilities of other lawyers in their practice areas, without any fee required to be listed, inclusion in Best Lawyers is considered a singular honor.
