Personal Injury Professionals Networking Event (Free)

Speaker: Harry Nelson
When: Thursday, September 26, 2019
Event: **RecoverWell Injury Networking Event**
Location: Culver City Deco 4539 West Adams Boulevard Los Angeles, CA 90016

Join the RecoverWell Injury Network for our quarterly networking event for personal injury professionals in Los Angeles.

Join our distinguished panel of guest speakers including, Attorney Harry Nelson of Nelson Hardiman and author of the book, The United States of Opioids, Dr. Julie Brown chiropractic Neurologist of Southern California Brain Center, Dr. Angelique Campen Director of Emergency Medicine of UCLA and Providence Saint Joseph, Dr.Albert Lai, interventional pain management and many more.

This event is free for all doctors, attorneys, social workers, case managers and paralegals serving injured patients and clients in the Los Angeles area. Network with injury professionals and gain valuable insights on how the opioid crisis has negatively impacted personal injury professionals. Gain valuable resources from addiction industry professionals that can help you save your clients/ patients lives, rescue your cases from cashing out too early and get paid your clients' claims paid.

Join us for free food, wine, resources, and networking!

Order an advanced copy of Harry Nelson's book, The United States of Opioids. Our guests who pre-order get a special discount!
