

Harry Nelson on Spectrum News: Opioids and Drug Company Liability

Harry Nelson, Co-Founder and Managing Partner and author of *The United States of Opioids: A Prescription For Liberating A Nation In Pain*, joined Evening Beat anchor Amrit Singh to discuss the tragic passing of Tyler Skaggs in light of the country's overarching opioid crisis, and to offer analysis on the sorts of liability and judgments we're likely to see for pharmaceutical companies in light of the landmark \$572 million ruling against Johnson & Johnson in Oklahoma.
