

Harry Nelson Interviewed on KTLA | TrumpCare 3.0? or Obamacare Repair?

Nelson Hardiman managing partner, [Harry Nelson](#), discusses [Trumpcare 3.0? Or Obamacare Repair? And the Reality of Repeal Now/Replace Later](#) on KTLA 5

Managing Partner, Harry Nelson, discusses the reality of the repeal and replace "Plan C" that the republicans have tried to pass. Harry speaks to the unknowns that would be out there should a full repeal and replace later actually pass. He also states that the big question is medicade and how to move forward. Does the senate roll back medicade and kill the expansion that exists with the Affordable Care Act, or keep it in place? According to Harry, right now it's all about messaging to the public and how the senate can come together to design a plan that works.
