

How is medical marijuana disrupting health care, and why is that potentially positive?

Event Date: October 16th – 17th, 2019

Speaker: [Aaron Lachant](#), Partner

Partner and Founding Board Chair of [MMLG](#), [Aaron Lachant](#), will be presenting at the [2019 Believe in Better Project](#), a gathering of visionaries and change-agents from across the health care spectrum. These innovators come together for conversations about making a difference—big and small—to start fixing health care for us all.
