

## How is medical marijuana disrupting health care, and why is that potentially positive?

Event Date: October 16th – 17th, 2019 Speaker: <u>Aaron Lachant</u>, Partner

Partner and Founding Board Chair of <u>MMLG</u>, <u>Aaron Lachant</u>, will be presenting at the <u>2019 Believe in Better</u> <u>Project</u>, a gathering of visionaries and change-agents from across the health care spectrum. These innovators come together for conversations about making a difference—big and small—to start fixing health care for us all.
