

Nelson Hardiman Listed on BTI Consulting's Client Service A-Team 2020

Nelson Hardiman was recently listed to [BTI Consulting's Client Service A-Team 2020](#) a list that showcases firms that adopt powerful client service initiatives and engage in meaningful, actionable and in-depth client feedback. Nelson Hardiman was recognized for its stand out performance investing in client relationships and client-facing communication.

The comprehensive *BTI Client Service A-Team 2020*—reveals exactly where top firms are ranked, by name, within these 4 categories: Client Investment, Client Infrastructure, Client Magnets, and Client Communication. Firms listed set a high standard for client service delivery and other targeted tactics to outperform and deliver at the highest level for their clients.

In November, Nelson Hardiman was named one of the [Best Law Firms to Work for by the Los Angeles Business Journal](#) and earlier this year was recommended as a [Top Firm by the Legal 500](#). "We are grateful for the recognition", said Co-Founder and Managing Partner [Harry Nelson](#), "and I sincerely appreciate the time, energy, and dedication that every member of our team is investing to ensure the highest level of client service."
